

Overdraft Privilege Service Revocation

THE FARMERS BANK

Name:

Account:

Date:

This revocation confirmation acknowledges your wish to remove/decline The Farmers Bank's Overdraft Privilege Service in its entirety. You have the ability to change your decision at any time by contacting us.

What this means for you:

- We are not obligated to pay an item presented for payment if your account does not contain sufficient funds. You have elected to remove/decline Overdraft Privilege Service coverage. Customers who have chosen to remove/decline the Standard Overdraft Privilege Service with unauthorized overdraft items presented for payment (i.e. checks, ACH items, bill pay items, recurring debit card transactions, internet, mobile and telephone banking items) may have items returned.
- **If you have previously requested Extended ODP Coverage for your ATM and Everyday Debit Card Transactions, this service will be removed also.**
- If your ATM or debit card point-of-sale transactions is greater than the available balance in your account, your card will likely be declined (under payment system rules, we may be obligated to pay some unauthorized debit card transactions).
